

HOUSE STATE GOVERNMENT COMMITTEE
2006 REGULAR SESSION
AGENDA - MEETING NO. 8

<i>DATE:</i>	<i>Tuesday, March 14, 2006</i>
<i>TIME:</i>	<i>12:00 Noon</i>
<i>PLACE:</i>	<i>Room 131, Capitol Annex</i>

CALL TO ORDER/ROLL CALL

BILLS FOR CONSIDERATION:

HB 614/LM/AA (Crenshaw, Jenkins) - Add positions in urban-county governments with duties involving collection of waste and operation of heavy equipment to the definition of hazardous positions for retirement purposes.

HB 695 (Pullin) - Add oil and oil products to the definition of "gas" to include as eligible items for transport by authority projects.

HR 19 (Meeks) - Urge a review of state and local plans for responding to a disaster; urge the Adjutant General to coordinate the review; include evacuation planning tailored to specific needs of geographic regions; urge wide dissemination of evacuation plans; recognize the problems of special needs populations; include plans for the care of families of first responders; urge creation of a volunteer corps; encourage regional planning; urge wide distribution of the final report.

SB 171/LM (Denton) - Require the Commonwealth Office of Technology, to the extent money is available, to establish a statewide planning and mapping system for public buildings; specify what the planning and mapping system is to include; require state agencies and political subdivisions to participate in the mapping system and to provide specified information for inclusion in the system; require the Commonwealth Office of Technology to seek federal funds for the mapping system, to distribute grants to state agencies and political subdivisions, and empower the agency to accept gifts, grants, and contributions; create annual reporting requirements to give an overview of the system.

SB 176 (McGaha) - Prohibit acquiring title to state property by adverse possession, prescription, or any other related legal theory.

OTHER BUSINESS/ADJOURNMENT
